Schedule of Updates – Attend a Daily User Session to Learn More

10/17/2011

1. New Platforms

You will be able to use all mobile devices to document progress notes, OASIS, Evaluations:

- a. iPhone and all other smartphones
- b. iPad and all other web-surfing devices
- c. laptops, tablets
- d. personal computers and apple computers
- e. all operating systems: Windows, Apple, Android

2. New Navigation

Navigation schema is updated to accommodate new authority levels

3. New Authority Levels

The Dashboard can now be customized for each employee. Employees will view only what is pertinent to them.

4. Employee Self-Scheduling

Employees can now manage their availability, document their scheduling preferences including the maximum number of visits they want to make and the distance they want to travel

5. Scheduling search

Schedulers can search for available employees based on employee availability, preferences and traveling distance

6. Automated Employee Emailing

Automated emails can be generated to alert employees to expired and soon-to-be expired documents, and patient schedules

7. Patient Reports

New patient reports are available

8. Billing & Coding Services

There are new, competitive pricing levels if your agency contracts with MHCB to perform billing and coding (mock-RAC) services. Please inquire for more information.

10/24/2011

9. On-Line Progress Notes

Users can start documenting progress notes on-line. PowerPath will still be available for users who don't have internet connectivity at the bedside.

10. Prior Authorization Tracking

Robust new authorization tracking will be available.

10/31/2011

11. OASIS, Evaluations On-Line

Users can start documenting OASIS and Evaluations on-line. PowerPath will still be available for users who don't have internet connectivity at the bedside.

12. GPS Tracking/Location of Employees for Scheduling

Schedulers can find current location of all employees for purposes of scheduling.

13. Finalization of Design Changes

Design changes will be completed over the course of the week.
